About Us · Über uns · Chi siamo · Sobre nosotros · Sobre nós

1987
FOUNDED IN
KONYA

- ⚙️ First oil-pump manufacturer in Türkiye
- 🚚 Heavy-duty & commercial vehicles
- ✓ Quality control to OE specifications
- ⚙️ Continuous R&D investment

Founded in 1987, our company is an established manufacturer of oil pumps and spare parts, combining years of experience and expertise.

Since our establishment in 1987, we have been dedicated to providing excellence and reliability in the production of oil pumps and spare parts. With years of experience and technological advancements, we offer high-performance and dependable products to our customers.

Our state-of-the-art production facilities are equipped with the latest technology, ensuring meticulous manufacturing of each product. Our quality control processes guarantee compliance with industry standards and product durability. We prioritize customer satisfaction by providing fast and effective solutions.

We continuously invest in R&D to remain competitive and deliver innovative solutions. With our extensive experience and professional team, we remain committed to delivering reliable solutions for you.

— DEUTSCH

Unser 1987 gegründetes Unternehmen ist ein etabliertes Unternehmen in der Herstellung von Ölpumpen und Ersatzteilen und vereint jahrelange Erfahrung und Fachkompetenz.

Seit unserer Gründung im Jahr 1987 widmen wir uns der Bereitstellung von Exzellenz und Zuverlässigkeit bei der Herstellung von Ölpumpen und Ersatzteilen. Wir investieren kontinuierlich in Forschung und Entwicklung, um wettbewerbsfähig zu bleiben und innovative Lösungen zu liefern.

— ESPAÑOL

Fundada en 1987, nuestra empresa es una empresa consolidada en la producción de bombas de aceite y repuestos, combinando años de experiencia y conocimiento.

Desde nuestra fundación en 1987, nos hemos dedicado a proporcionar excelencia y fiabilidad. Invertimos continuamente en I+D para seguir siendo competitivos y ofrecer soluciones innovadoras.

— ITALIANO

Fondata nel 1987, la nostra azienda è un'azienda affermata nella produzione di pompe olio e ricambi, combinando anni di esperienza e competenza.

Dal 1987 ci dedichiamo a fornire eccellenza e affidabilità nella produzione di pompe olio e ricambi. Investiamo continuamente in R&S per restare competitivi e fornire soluzioni innovative.

— PORTUGUÊS

Fundada em 1987, nossa empresa é uma empresa consolidada na produção de bombas de óleo e peças de reposição, combinando anos de experiência e expertise.

Desde a nossa fundação em 1987, dedicamo-nos a fornecer excelência e confiabilidade. Investimos continuamente em P&D para nos mantermos competitivos e fornecer soluções inovadoras.
